Business Personal Property:

❖ BUSINESS EQUIPMENT & FURNISHINGS

- Items used in your business
- Items that are movable and not a permanently affixed to the structure
- **DO NOT** include inventory (i.e. food, souvenirs, items purchased for resale)

❖ VALUATION OF BUSINESS PERSONAL PROPERTY

- Preferred method for value calculation
 - Purchase price & date of purchase
 - ◆ Assessed on a declining scale based on cost and year of acquisition.
- Supplementary method
 - If purchase price & date are not available approximation of current value is acceptable

There will be a streamlined version of form 762 available on the county website later this year. Any changes to personal property will be reflected in the new version.
