ARTICLE XI. LAND USE TAX

Sec. 15-50. Findings.

The Bath County Board of Supervisors finds that the preservation of real estate devoted to agricultural use within its boundaries is in the public interest and, having heretofore adopted a land-use plan, hereby provides that such real estate shall be taxed in accordance with the provisions of Article 4 of Chapter 32 of Title 58.1 of the Code of Virginia; the standards prescribed by the Virginia Commissioner of Agriculture and Consumer Services and this Article.

Sec. 15-51. Definitions.

For the purposes of this article the following special classification of real estate is established and defined:

"Real estate devoted to agricultural use" shall mean real estate devoted to the bona fide production for sale of plants and animals useful to man under uniform standards prescribed by the Commissioner of Agriculture and Consumer Service in accordance with the Administrative Process Act (Virginia Code § 2.2-4000 *et seq.*), or devoted to and meeting the requirements and qualifications for payments or other compensation pursuant to a soil conservation program under an agreement with an agency of the federal government. Real estate upon which recreational activities are conducted for a profit or otherwise, shall be considered real estate devoted to agricultural use as long as the recreational activities conducted on such real estate do not change the character of the real estate so that it does not meet the uniform standards prescribed by the Commissioner.

Sec. 15-52. Applications for special assessment; fees.

(a) Applications for taxation of real estate on the basis of use assessment shall be submitted to the Bath County Commissioner of Revenue (hereinafter the "Commissioner" or "Commissioner of Revenue") on forms provided by the Virginia Department of Taxation and supplied by the Commissioner. The application shall include such additional schedules, photographs, and drawings as may be required by the Commissioner of Revenue.

(b) Applications shall be submitted:

(1) At least sixty days preceding the tax year for which such taxation is sought;
or

(2) In any year in which general reassessment is being made, within thirty days after the notice of increase in assessment has been mailed to the property owner in accordance with Section 58.1-3330 of the Code of Virginia, or sixty days preceding the tax year, whichever is later.

(c) The application shall be signed by all owners of the subject property. An owner of an undivided interest in the property may apply on behalf of owners that are minors or that cannot be located, upon submitting an affidavit attesting to such facts.

(d) A separate application shall be filed for each parcel or tract shown on the land book.

(e) An application fee of Ten dollars (10.00) shall accompany each application.

(f) An application shall be submitted whenever the use or acreage of such land previously approved changes; provided, however, that no application fee shall be required when a change in acreage occurs solely as a result of a conveyance necessitated by governmental action of condemnation of a portion of any land previously approved.

(g) If any tax on the land affected by an application is delinquent when the application is filed, then the application shall not be accepted. Upon payment of all delinquent taxes, interest and penalties relating to such land, the application shall then be treated in accordance with this section.

(h) Such property owner must revalidate annually with the Commissioner of Revenue, on or before each June 5th, on forms provided by such Commissioner, any application previously approved. A revalidation fee of \$10.00 shall accompany each application for revalidation every sixth year. Late filing of a revalidation form must be made on or before the effective date of the assessment and accompanied with a late filing fee of \$5.00.

Sec. 15-53. Determination of use value and assessment.

(a) Promptly upon receipt of an application, the Commissioner of Revenue shall determine whether the subject property meets the criteria for use value assessment and taxation under this Article, Article 4 of Chapter 32 of Title 58.1 of the Code of Virginia, and applicable standards prescribed thereunder by the Commissioner of Agriculture and Consumer Services.

(b) Minimum acreage.

(1) Real estate devoted to agricultural use shall consist of a minimum of five acres;

(2) The foregoing requirement for minimum acreage shall be determined by adding together the total area of contiguous real estate excluding recorded subdivision lots titled in the same ownership. For purposes of this section, properties separated only by a public right of way are considered contiguous.

(c) In addition to meeting the foregoing requirement for minimum acreage, real estate devoted to agricultural use shall meet the following standards:

(i) Pasture must have per five acres: one head of the cattle family for twelve months, or two head for six months, or four head for three months, etc.; or sixty-six turkeys or one hundred chickens per twelve months; or one horse; or other animals that meet criterion as adopted from time to time by the Commissioner of Agriculture and Consumer Services.

(ii) Pasture must have per one acre: one swine or one sheep for twelve months; or

(iii) One acre of crop land shall qualify as one acre of agricultural use.

(d) If the Commissioner of Revenue determines that the property does meet such criteria, the Commissioner shall determine the value of such property for its qualifying use, as well as its fair market value.

(e) In determining whether the subject property meets the criteria for "agricultural use" the Commissioner of Revenue may request an opinion from the Commissioner of Agricultural and Consumer Services. Upon the refusal of the Commissioner of Agriculture and Consumer Services to issue an opinion, or in the event of an unfavorable opinion which does not comport with standards set forth by the respective director, the party aggrieved may seek relief from any court of record wherein the real estate in question is located. If the court finds in his favor it may issue an order which shall serve in lieu of an opinion for the purposes of this ordinance.

Sec. 15-54. Taxation based on qualifying use.

The use value and fair market value of any qualifying property shall be placed on the land book before delivery to the Bath County Treasurer (hereinafter the "Treasurer") and the tax shall be based on the use value. Continuation of valuation, assessment and taxation based upon land use shall depend on continuance of the real estate in a qualifying use, continued payment of taxes as required in Section 58.1-3235 and compliance with other requirements of Article 4 of Chapter 32 of Title 58.1 of the Code of Virginia, the applicable standards prescribed by the Virginia Commissioner of Agriculture and this Article, and not upon continuance in the same owner of title to the land.

Sec. 15-55. Delinquent taxes.

If on April 1 of any year the taxes for any prior year on any parcel of real property which has special assessment as provided for in this Article are delinquent, the Treasurer shall send notice of that fact and the general provisions Section 58.1-3235 of the Code of Virginia to the property owner by first-class mail. If after sending such notice, such delinquent taxes remain unpaid on June 1, the Treasurer shall notify the Commissioner who shall remove such parcel from the land use program under this Article. Such removal shall be effective for the current tax year.

Sec. 15-56. Change in use, zoning or area; roll-back taxes.

(a) There is hereby imposed a roll-back tax, and interest thereon, in such amounts as may be determined under Virginia Code Section 58.1-3237, on real estate which has qualified for assessment and taxation on the basis of use under this Article, upon one or more of the following occurrences:

- (1) when the use by which it qualified changes to a nonqualifying use;
- (2) when it is rezoned to a more intensive use at the request of the owner or his agent, as described in Section 58.1-3237 of the Code of Virginia; or
- (3) when one or more parcels, lots or pieces of land are separated or split off from the real estate, as described in Section 58.1-3241 of the Code of Virginia.

(b) If the roll-back tax and interest thereon are not timely paid as required under Virginia Code § 58.1-3237, the Treasurer shall impose a penalty and interest in the amount of the roll-back tax, including interest for prior years, in accordance with Virginia Code § 58.1-3915 and § 58.1-3916.

Sec. 15-57. Failure to report changes, misstatements in application.

(a) The owner of any real estate liable for roll-back taxes shall, within sixty days following a change in use, report such change to the Commissioner of Revenue on such forms as may be prescribed. The Commissioner of Revenue shall forthwith determine and assess the roll-back tax, which shall be paid to the Treasurer within thirty days of assessment. On failure to report within sixty days following such change in use and/or failure to pay within thirty days of assessment, such owner shall be liable for an additional penalty equal to ten per centum of the amount of the roll-back tax and interest, which penalty shall be collected as a part of the tax. In addition to such penalty for failure to make required report, there is hereby imposed interest of one-half per centum of the amount of the roll-back tax, interest and penalty, for each month or failure thereof during which the failure continues.

(b) Any person making material misstatement of fact other than a clerical error in any application filed pursuant to this Article shall be liable for all taxes, in such amounts and at such times as if such property has been assessed on the basis of fair market value as applied to other real estate, together with interest and penalties thereon. If a material misrepresentation was made with the intent to defraud Bath County, he shall be further assessed with an additional penalty of

one hundred percent of such unpaid taxes. The term "material misstatement of fact" shall have the same meaning as it has under Section 58.1-3238 of the Code of Virginia.

Sec. 15-58. Application of Title 58.1 of the Code of Virginia.

The provisions of Title 58.1 of the Code of Virginia applicable to local levies and real estate assessment and taxation shall be applicable to assessments and taxation hereunder *mutatis mutandis* including without limitation, provisions relating to tax liens, boards of equalization and the correction of erroneous assessments, and for such purposes the roll-back taxes shall be considered to be deferred real estate taxes.

Sec. 15-59. Effective date.

This Article shall be effective for all tax years beginning on and after July 1, 2005.
